### §916.160 Reporting procedure.

(a) *Report of daily packout.* When requested by the Nectarine Administrative Committee, each shipper who ships nectarines shall furnish to the manager of the Nectarine Administrative Committee or its designee a report of the number of packages by container type, by variety and by district of origin, which the shipper packed during the preceding day.

(b) *Recapitulation of shipments.* Each shipper of nectarines shall furnish to the manager of the Nectarine Administrative Committee not later than November 15 of each year a recapitulation of shipments of each variety shipped during the just-completed season. The recapitulation shall show: The name of the shipper, the shipping point, the district of origin, the variety, and the number of packages, by size, for each container type.

(c) *Destination report.* Each shipper who ships nectarines shall furnish to the manager of the Nectarine Administrative Committee a report of the number of packages of nectarines shipped to each destination, and whether the nectarines were yellow-fleshed or white-fleshed, and whether the nectarines were "CA Utility" quality: *Provided*, That handlers who shipped fewer than 50,000 containers or container equivalents of any combination of nectarines, peaches, and plums during the previous season are exempted from these reporting requirements: *Provided further*, That handlers who begin operation during or after the 2001 season shall be exempted from these reporting requirements during their first season of operation. The destination is defined as nectarine shipments to any domes-

tic or international market. Destination information for domestic market shipments shall include city and state, and zip code, if known. Destination information for international market shipments shall include the country to which shipped. This report shall be submitted by the fifteenth of each month following the month in which nectarine shipments were made.
